

## eHealth Association of Pakistan (eHAP):

eHAP is a platform to build networks to share and enhance knowledge, and to advocate for policy support for broader implementation of eHealth programs in Pakistan by bringing together eHealth experts and other stakeholders from different parts of Pakistan.

## Membership Criteria:

eHAP invites all individuals, institutions and companies interested in the use of Information Technology in Healthcare to be its members. Members can come from a wide variety of backgrounds including (but not restricted to) clinical providers, program managers, healthcare researchers, students, institutional administrators, health informatics professionals, telehealth users and consultants, users of eLearning in health, government, and technology providers.

## Membership categories and Benefits
